

All The Glory

Proverbs 3 vs 5

I'm so tired of waiting
I'm so tired of tasting my tears
When I feel I'm breaking
You are the One who sees

I cannot live without You Jesus
I cannot walk this road alone
My feet may fail me
And I may stumble
But I will trust in You alone

All The Glory

Proverbs 3 vs 5

It's so hard to listen
With all the noise around
But I hear Your Spirit
Telling me to trust the love I've found

I cannot live without You Jesus
I cannot walk this road alone
My feet may fail me
And I may stumble
But I will trust in You alone

All The Glory

Proverbs 3 vs 5

When I'm calling
He's a faithful friend
When I'm broken
He gives life again
When I'm falling
He gives strength to carry on
To carry on

When we're calling
He's a faithful friend
When we're broken
He gives life again
When we're falling
He gives strength to carry on
To carry on

All The Glory

Proverbs 3 vs 5

We cannot live without You Jesus
We cannot walk this road alone
Our feet may fail us
And we may stumble
But we will trust in You alone
I cannot live without You Jesus
