

All The Glory

Matthew 14:31

I hide my eyes and I find myself alone
In this winter cold without a coat
In my mind the devil makes a home
On this darkened road I'm on my own

God I am sinking
I need You this time
I turned my face away
I'm not alright

All The Glory

Matthew 14:31

When I was falling
I listened to the waves around
But then I saw You reaching out
To rescue me
I can hear a calling
Telling me to fix my eyes
Even in darkest night
I can see

You gave me life
Changed my heart of stone
You adopted me into Your home
Now my eyes, I fix them on the Throne
I will not sink, I'm not alone

When I was falling
I listened to the waves around
But then I saw You reaching out
To rescue me
I can hear a calling
Telling me to fix my eyes
Even in darkest night
I can see
